Bhayandar E Mumbai-67

## SUMMARY

I'm a final-year B.Sc. IT student passionate about crafting seamless user experiences through modern front-end development. Proficient in technologies like **React, TypeScript, Tailwind CSS, and JavaScript, and Daisy UI** with hands-on experience building responsive, user-friendly web applications. Actively engaged in personal and academic projects, showcasing skills in designing, developing, and deploying interactive interfaces. Seeking an opportunity to contribute technical expertise and creative problem-solving to a dynamic team.

## EDUCATION

### Patkar Varde College

Bachelor's Degree in Information Technology  
CGPA - 9.0  
2022 - Present

### DP Public School

H.S.C - 82%  
2021

### BPMG Public School

S.S.C - 82%  
2019

## SKILLS

- Skilled in prioritizing tasks and meeting deadlines without compromising quality.
